Currently no Concessions apply to members of the Co-operative

A Class shares are for membership to the Co-operative. Every new member is now required to buy and is issued a minimum of 500 shares. Memberships prior to the new rules have been transferred across at the rates held prior to the change of rules. Membership entitles those eligible to vote, a vote at the Annual General Meeting - only one vote per membership.

If you have misplaced your share certificates please come into the office at 50 Boundary road to request a duplicate. You will need to sign a Statutory Declaration which will enable a 'duplicate' share certificate to be created. The administration staff can assist you to complete this form but you will need to obtain the appropriately qualified person to witness your signing of the declaration.

**PLEASE NOTE - Lessees are NOT entitled to copies of share certificates. If lessees are to receive statements/invoices direct the owner of the property must complete a form to authorise this. Ultimately the owner(s) are responsible for payment of all co-operative accounts if the lessee defaults.**
