

# Meter Test Request Form

## Customer Details

Name:

Property ID# (found on water statement)

Property Address:

I/We \_\_\_\_\_ (insert name) request that our meter be removed for testing and a temporary meter installed until the accuracy of the meter is tested.

We understand that should the meter be deemed within the prescribed tolerant of  $\pm 5\%$  then all costs associated with the meter removal, testing and re-installation will be charged and payable on our account.

We understand that should the meter be found faulty GWC will calculate and reimburse our account (by way of credit) any over-charged consumption and a new meter will be fitted going forward.
